

# Participating in ZOOM Teaching Events

## Etiquette:

To minimise distraction to the monastic giving the teaching we request you:

1. Sit in a comfortable position (on a cushion or chair)
2. Ensure your webcam is switched on
3. Avoid engaging in any overly-distracting movements such as leaving your seat, drinking, eating, or other unnecessary activities

In summary, participate as if you were physically present at the BSV.

## ZOOM User Name:

Please ensure your ZOOM ID is reflective of how you would like to be addressed when you are invited to ask your question. We recommend:

<NAME>@<CITY>,<COUNTRY> (eg. Richard@Melbourne,AUS)

## Q&A Session:

There will be a Q&A Session at the end of the teaching. If you have a question, use the "Raise Hand" ZOOM feature.

When it's your turn to ask the question you will be invited to unmute your microphone.

When you ask the question, YouTube participants will only hear your voice but ZOOM participants will be able to see and hear you (this is consistent with a physical event held at the BSV)
